THE HON. SRIMATHI LOURDHAMMAL SIMON : (a) Yes, Sir.

(b) The finances of almost all local bodies are not sound. This accounts for disparity in the scales of pay of local body employees and Government employees.

SRI G. KRISHNAMOORTHY : Sir, may I know what the exact scales of pay under local bodies are, compared to those under the Government?

THE HON. SRIMATHI LOURDHAMMAL SIMON : A separate question may be put, Sir.

SRI G. KRISHNAMOORTHY : Sir, may I know whether the Government are aware of the fact that on account of the disparity in the scales of pay, the local bodies are not able to have servants in continuous service? The men want to jump on to Government service.

THE HON. SRIMATHI LOURDHAMMAL SIMON : As far as possible, they stick to the employment under the local bodies. I do not think that they are leaving it like that. We allow the local bodies to fix the scales of pay in the best way possible.

SRI G. KRISHNAMOORTHY : Cannot the Government themselves subsidize the local bodies to such an extent as they will be able to give the Government scales of pay?

THE HON. SRIMATHI LOURDHAMMAL SIMON : If that convenience was there, it would have already been done.

MR. CHAIRMAN : Questions are over.
